

CHATHAM HILL INTERIORS

DESIGN PACKAGES & SERVICES

At Chatham Hill Interiors, we offer a range of design services tailored to meet the needs of each individual client and project. Whether you are looking for guidance on paint colors, finish selections for a renovation, or full-service interior design, our goal is to create thoughtful, cohesive spaces that feel both elevated and functional.

PAINT COLOR CONSULT – \$300

Selecting the right paint color can completely transform a space. During our color consultation, we'll delve into your preferences, lifestyle, and the atmosphere you wish to create. Throughout the consultation, we'll consider factors like lighting, room size, and existing decor to ensure a harmonious blend of color and pattern, allowing us to develop a cohesive paint palette tailored to your space.

Includes:

- 1–1.5 hour in-home consultation
- Professional paint color recommendations
- Guidance on coordinating trim, ceiling, and wall colors
- Large paint samples ordered for final review
- Follow-up visit to finalize selections

Ideal For:

Clients looking for professional guidance and confidence in selecting paint colors for one or more spaces.

WALLPAPER CONSULT – \$450

Wallpaper can add warmth, texture, and personality to a space when thoughtfully selected. This consultation is designed to help clients confidently choose wallcoverings that complement their home and overall design aesthetic.

Includes:

- In-home consultation
- Discussion of aesthetic preferences and project goals
- Sourcing of curated wallpaper options
- Ordering of wallpaper samples

- Follow-up meeting to review samples and finalize selections
- Wallpaper ordering and procurement through Chatham Hill Interiors

Ideal For:

Clients seeking guidance on incorporating wallpaper or specialty wallcoverings into their home.

Important Notes:

- Wallpaper and related materials are purchased through Chatham Hill Interiors.
- Installation services are not included but installer recommendations may be provided as needed.

DESIGN CONSULTATION - \$450

A focused in-home consultation for clients seeking professional design guidance and expert recommendations for an existing interior space.

During our time together, we may discuss furniture layout, finish selections, lighting, paint colors, styling ideas, renovation direction, and overall design improvements for the space.

Includes:

- Up to 1.5-hour in-home consultation
- Walkthrough and review of a single interior space
- Design recommendations and professional guidance
- Preliminary layout or styling suggestions as needed
- Follow-up recap email with notes and recommendations

Ideal For:

Clients who plan to execute the project themselves but want a clear design direction and expert input before moving forward.

Important Notes:

- This package does not include design boards or detailed drawings.
- Additional design time beyond the consultation may be billed hourly.

SPACE PLANNING PACKAGE – Starting at \$500

A focused design service created for clients who need professional guidance on how to best arrange and functionally utilize their space. This package is ideal for homeowners struggling with furniture placement, room flow, scale, or layout decisions before purchasing new furnishings or beginning a redesign.

Through thoughtful space planning, we help create a layout that feels cohesive, balanced, and functional while maximizing the potential of the room.

Includes:

- Initial consultation to discuss goals, functionality, and lifestyle needs
- Review and measurement of the space (or use of client-provided measurements)
- Furniture placement floor plan for one room
- Guidance on furniture sizing and spatial flow
- Recommendations for improving functionality and layout
- One round of layout revisions
- Digital presentation of final floor plan

Optional add-ons:

- furniture sourcing
- design boards
- styling recommendations

Ideal for:

Clients who:

- Need help arranging an existing room
- Are purchasing new furniture and want to ensure proper sizing and placement
- Are struggling with awkward layouts or traffic flow
- Want professional direction before investing in furnishings

Important Notes:

- This package includes conceptual furniture layout plans only and does not include architectural drawings, construction documents, cabinetry shop drawings, or permit plans.
- Furniture sourcing, design boards, and styling selections are not included but may be added separately.
- Additional revisions or design time beyond the included scope may be billed hourly.

CONCEPT & SPACE PLANNING PACKAGE - \$2000

A more detailed design package created for clients who want a professionally developed vision and layout plan for an existing interior space.

This package provides the client with a cohesive design direction, furniture layout guidance, and visual inspiration while allowing them to manage purchasing and implementation independently.

Includes:

- In-home consultation and walkthrough
- Measurements of the space
- Discussion of project goals, functionality, and aesthetic preferences
- Design recommendations and overall space direction
- Two curated concept boards presented digitally
- Furniture placement floor plan

- Guidance on furniture sizing and layout
- Recommendations on where to source furnishings and décor
- Follow-up presentation call

Ideal For:

Clients who enjoy managing shopping and implementation themselves but want professional guidance, layout direction, and a cohesive design plan.

Important Notes:

- This package does not include architectural drawings or construction documents.
- Procurement, ordering, and installation are not included.
- Shoppable product links and detailed furniture sourcing are not included.
- Additional revisions or design work beyond the included scope may be billed hourly.
